Hot Ribbon Printing Machines using color ribbon which has features of high quality, clear printing, instant dry, not sticky and not easy to wipe off.

### HP280P Semi-Automatic Color Ribbon Hot Printing Machine

HP-280P Semi-Automatic Hot Color Ribbon Printing Machine is semi-automatic printer with output up to 100 prints per minute, you can print up to 3 lines of text on many kinds of products. Machine adopt constant temperature controlling and adjustable temperature. Machine operate by automatic continuously print codes, press switch or control by electric pedal.

#### TECHNICAL DATA

MODEL		HP-280P
Voltage		1 Phase 240V
Total Power		150W
Printing Speed		0 - 100 pcs / min
Printing Quantity	One Line	Max.4*35, about 12 types
	Two Line	Max.10*35, about 24 types
	Three Line	Max.16*35, about 36 types
Color Ribbon Width		25mm / 30mm / 35mm
Machine Structure		Powder Coated Metal
Machine Dimension		225mmL x 225mmW x 315mmH
Machine Weight		7 Kg

#### Related Products:
